Use Case

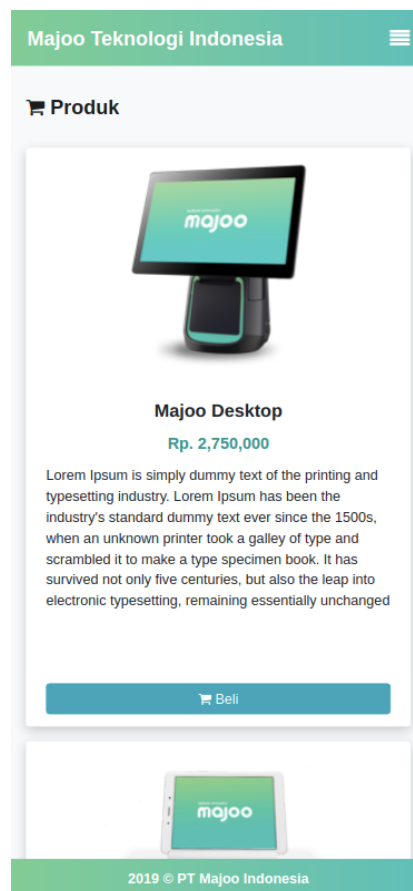

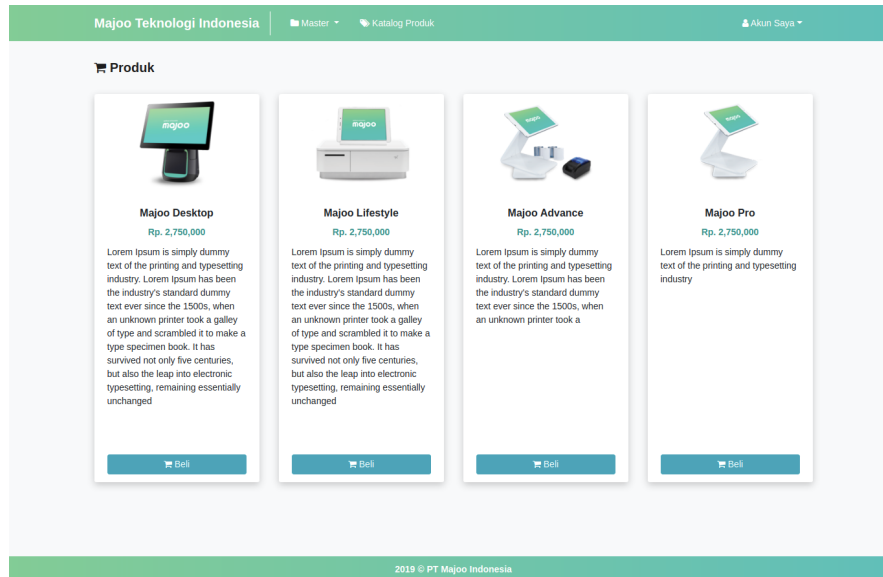

Activity Diagram

Hasil Test Case

A. Membuat halaman untuk menampilkan daftar product

B. Membuat halaman login

The image displays two side-by-side mockups of a login interface for an application named 'majoo'.

Left Mockup (Login Form):

- Header:** The text 'aplikasi wirausaha' is positioned above the 'majoo' logo, which features a stylized 'm' with two upward-pointing arrows.
- Form Fields:**
 - Email address:** A text input field with a light gray border.
 - Password:** A text input field with a light gray border.
- Action:** A blue rectangular button labeled 'Login' is located below the password field.

Right Mockup (Error Message):

- Header:** Similar to the first mockup, it shows 'aplikasi wirausaha' and the 'majoo' logo.
- Error Icon:** A red circle containing a white 'X' is centered at the top of the message box.
- Message Text:**
 - Ooops Mohon Maaf** (Oops, please excuse me) is displayed in a bold, dark font.
 - Email tidak ditemukan** (Email not found) is displayed in a smaller, regular dark font below the main message.
- Action:** A small purple rectangular button labeled 'OK' is centered at the bottom of the message box.
